Maximum dimensions and weight allowed on an annual oversize permit are:

- * 120' long x 12'5" wide x 13'10" high unlimited distance no routing required
- * 120' long x 14'8" wide x 15'5" high movement restricted to 50 miles radius unless the route continues on at least 4-lane roads or trip routes are obtained from Motor Carrier Services.
- * 120' long x 16' wide x 15'5" high trip routes must be obtained.
- * 75' long x 12'5" wide x 13'6" high- maximum dimensions for hauling hay.

Carrier will be responsible for obtaining necessary route approval prior to move. The lowa Detour and Embargo map, Bridge Embargo map and vertical clearance maps should be used to obtain information for self-routing.

Permits can be issued only for transporting, single articles that exceed statutory size unless the inclusion of additional articles does not cause the size or weight to further exceed the statutory limits.

Disclosure Statement: The information furnished on this application will be used by the Department of Transportation to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the result of the move. The State of lows, the Department of Transportation, and any other permit issuing authority assume no responsibility for the property of the permit holder.

GENERAL PROVISIONS

The State of lowa, the lowa Department of Transportation, and any other permit issuing authority assuming no responsibility for the property of the permit owner.

During movement under permit, the permit holder must meet the terms and conditions of the permit and must take all reasonable precautions to protect and safeguard the lives and property of the traveling public and adjacent property owners. Permit issuing authorities will not be responsible for any damages that are the result of the move. Movement shall be made only when roads are clear of ice and snow, and visibility is a least one-quarter mile. A copy of a current certificate of public liability insurance in the amounts of \$100,000 bodily injury each person, \$200,000 bodily injury each occurrence and \$50,000 property damage must be carried in the vehicle.

Nothing in the permit, exact as specifically noted, shall exempt the permit holder from compliance with any load limitations which have been or might be established on any bridge or road that is posted with embargo signs.

The permit and any revisions will be void if the actual weight or dimensions exceed what was indicated on the permit or its revisions. The permit and any revisions will be void if the total combined weight of the vehicle and load is 80,000 lbs. or less and the axle weights exceed those provided in Iowa Code Section 321.463.

No vehicle, combination of vehicles, or vehicles with loads that exceed legal weights and dimensions may be moved on Iowa highways without a permit.

Permits can be issued only for loads that are a single article that cannot be reasonably broken down to make it legal in size and weight.

The permit must be carried in the cab of the vehicle for which the permit has been issued and must be made available for inspection at all times. The vehicle that the permit has been issued for shall be open to inspection by any peace office or to any authorized agent of any permit granting authority.

Movement is allowed only from sunrise to sunset unless it is determined by the issuing authority that the move can be made more safely at another time because of the traffic-volume conditions. Movement is allowed seven days a week except for designated holidays and for special events when abnormally high traffic counts can be expected. The designated holidays are: Memorial Day, Independence Day, and Labor Day. No movement will be allowed on these holidays after 12 o'clock noon on days preceding these holidays and holiday weekends which include holidays that fall on Monday, except as provided for in Section 321.457 of the Code.

The permit holder shall not exceed the speed limits specified by the permit.

Any reportable accident involving a vehicle operating under a permit must be reported in writing to the Director of the Office of Operating Authority, 5238 NW 2nd Ave., Des Moines, IA 50313.

Each vehicle and load exceeding the length, width and height provisions of lowa Code sections 321.454, 321.456, and 321.457 must display warning devices as stated in lowa Administrative Code Subrule 820—[07,F]2.3(3).
